

Vessel and Applicant Information							
Vessel Name							
Vessel IMO Number							
Vessel Length (in meters)							
Vessel Owner							
Estimated Date of First Arrival (current year)							
Applicant Name							
Applicant Company (if different from Vessel Owner)							
Billing Address							
City					State/Province		
Zip			Country				
Email				Phone			Alt. Phone

INSTRUCTIONS: Applicable vessels must meet at least one (1) criteria in 3 of 4 measuring categories.

MEASURE CATEGORY – Environmental Program Participation	
<i>Identify which environmental program(s) the vessel or the vessel owner is currently certified under.</i>	
Subcategory Criteria	StewardSHIP Standard
<i>Select all that apply for the vessel or vessel owner</i>	<i>Minimum standard required for certification</i>
Clean Cargo	Proof of certification provided
Clean Ship Index	Proof of certification provided
Energy Efficiency Design Index	Proof of certification provided
Environmental Ship Index	ESI score over 25
Green Award	Proof of certification provided
Green Marine	Level 3 Greenhouse Gas (GHG) indicator <u>AND</u> Level 2 all other indicators
Rightship	Level B Greenhouse Gas (GHG) indicator
Other	Provide documentation and additional comments below.
Documentation Provided and Additional Comments: <i>Specify what documents are enclosed to the application to verify certification in each selected subcategory. Provide any additional detail, as necessary.</i>	

MEASURE CATEGORY – Ship Classification Study Certification

Identify which ship classification study(ies) the vessel or vessel owner is currently certified under.

Subcategory Criteria <i>Select all that apply for the vessel or vessel owner</i>	StewardSHIP Standard <i>Minimum standard required for certification</i>
American Bureau of Shipping	Underwater Noise (UWN) Notation
Bureau Veritas	Underwater Radiated Noise (URN) Notation OR Sustainable Ship Design (SSN) Notation
Det Norske Veritas Germanischer Lloyd	Silent (“E”) Notation OR Certification of Compliance
Lloyd’s Register	ECO Notation
Registro Italiano Navale	DOLPHIN Certification
Other	Provide documentation and additional comments below.

Documentation Provided and Additional Comments: *Specify what documents are enclosed to the application to verify certification in each selected subcategory. Provide any additional detail, as necessary.*

MEASURE CATEGORY – Emission Strategies and Environmental Impact Technologies

Identify which vessel improvement(s) have been implemented to-date.

Subcategory Criteria <i>Select all that apply for the vessel or vessel owner</i>	StewardSHIP Standard <i>Minimum standard required for certification</i>
Ballast Water Treatment Plan and Management	Maintain a Ballast Management Plan OR Biofouling Management Plan
NOx Tier Engine Emission Control Certification	International Maritime Organization (IMO) Tier II or higher
Shore Power Equipment Installation	Maintain equipment on vessel and demonstrate berth use
Other	Describe any other improvements of note. Provide documentation and additional comment below.

Documentation Provided and Additional Comments: *Specify what documents are enclosed to the application to verify certification in each selected subcategory. Provide any additional detail, as necessary.*

MEASURE CATEGORY – Underwater Noise Technologies
Identify which vessel improvement(s) have been implemented to-date.

Subcategory Criteria <i>Select all that apply for the vessel or vessel owner</i>	StewardSHIP Standard <i>Minimum standard required for certification</i>
Becker MEWIS Duct	Proof of installation and use on vessel
MMG Energy Savings Cap	
Nakashima Composite Stator	
Nakashima ECO-Cap	
Nakashima GPX Propeller	
Nakashima GPX Propeller & Nakashima Composite Stator	
Nakashima GPX Propeller & Nakashima Neighbor Duct	
Nakashima Neighbor Duct	
Nakashima Ultimate Rudder	
Propeller Boss Caps Fin	
Schneekluth Duct	
Wärtsillä EnergoProFin	
Other	

Documentation Provided and Additional Comments: *Specify what documents are enclosed to the application to verify certification in each selected subcategory. Provide any additional detail, as necessary.*
