Subject: Bid results BHC Contract 677  
Mechanical Demolition of Three Buildings

Dear Commissioners:

Eleven bids were received in response to Official Notice 677 for Mechanical Demolition of Three Buildings on the South Harbor Tract. The bid results are summarized on the attached sheet.

The lowest eligible bidder, Brew City Environmental & Restoration Services, LLC of Oak Creek, WI, has performed satisfactorily on similar work for other City departments. Staff has reviewed Brew City Environmental & Restoration Services' bid and finds it has met the requirements of the bid documents.

This project is associated with the Agriculture Maritime Export Facility development on Jones Island and is being funded by the U.S. Department of Transportation Maritime Administration Port Infrastructure Development Program Grant. Sufficient funds for the project are available in the Board's Accounts.

Staff recommends that the Board accept the bid and award Contract 677 to Brew City Environmental & Restoration Services, LLC for its bid of bid items 1 through 3 for a total price of \$90,000. As work is completed, the Contractor will be paid the unit price bid for all work authorized and completed satisfactorily.

Respectfully submitted,
