

FIVE GREAT LAKES.

ONE GRAND ADVENTURE.

CRUISE
THE GREAT LAKES

THE GREAT LAKES

Like few will ever see them.

94,250 SQUARE MILES OF FRESH WATER AWAIT.

The same waters where Commodore Perry found fame and the Mighty Mac bridged two northern peninsulas. Where the shores are lined with landmarks, history, and geological masterpieces. Where you can have the adventure of a lifetime from the safety and comfort of an intimate cruise ship—and explore the Great Lakes *like few people ever have, or ever will.*

Cruise the Great Lakes offers a spectacular freshwater vacation for the cruiser seeking a one-of-a-kind experience. Our partners' ships are intimate, uncrowded, and filled with crew members who anticipate your every want and need. It's everything you desire on a larger cruise ship, minus everything you wish you could cast away.

On your journey, your cruise ship will dock at multiple U.S. and Canadian locations, traversing a safe and secure border, where you can explore natural wonders and cities you've never seen—at least not like this.

ADVENTURE IS ON THE ITINERARY.

And we invite you aboard.

COME SEE WHERE THE EXPERIENCE TAKES YOU.

Across the shores of the Great Lakes are iconic destinations, each valued for their unique charm and hospitality.

From these waters, you can travel directly to unspoiled destinations—like Mackinac Island, Niagara Falls, and the Georgian Bay Islands—and metropolitan ports—including Toronto, Cleveland, Detroit, Milwaukee, and Chicago. Along your journey, you'll have dynamic opportunities to walk on shore, explore the natural beauty of the Great Lakes, and enjoy unique cuisine, art, museums, neighborhoods, and more.

You'll also pass by dazzling natural wonders from the comfort of your ship, including Sleeping Bear Dunes, the Porcupine Mountains, the Soo Locks, Niagara Falls, the Thirty Thousand Islands of Georgian Bay, and countless rocky cliffs with lighthouses standing watch.

A WORLD AWAY FROM STRESS.

Every detail of your cruise is designed to ease tension and enrich your travel experience. Staying within the United States and Canada means you're never crossing unsecured borders. Instead, Cruise the Great Lakes delivers a close-to-home experience that's carefully planned for endless peace of mind. If you're seeking the ideal balance between adventure and safety, look no further.
