

2019 Port Infrastructure Development Program (PIDP) Project Information Form

Field Name	Response	Instructions
Applicant Name	Port Milwaukee	Enter the name of the Lead Applicant. This should be the same as the one used in the Grants.gov SF-424 submission, as well as the application project narrative.
Project Name	Agricultural Maritime Export Facility	Enter a concise descriptive title for the project. This should be the same as the title used in the Grants.gov SF-424 submission, as well as the application project narrative.
Project Description	This project will redevelop an underutilized Port property that will provide bulk vessel transload facilities for the export of agricultural commodities.	Describe the project in plain English terms that would generally be understood by the public, using no more than 100 words . For example, "The project will replace the existing bridge over the W river on Interstate X between the cities of Y and Z" or "The PIDP Grant will fund construction of an upgraded wharf at the Bay Street terminal." Please do not describe the project's benefits, background, or alignment with the selection criteria in this field.
Project Outcomes	This project will meet specified outcomes: (2) bring facilities to a state of good repair and improve resiliency; and (4) promote exports of manufacturing, agriculture, or other goods.	Identify the outcomes, if any, that this project will advance. Among possible project outcomes, the Department seeks projects that will: (1) advance technology-supported safety and design efficiency improvements; (2) bring facilities to a state of good repair and improve resiliency; (3) promote efficient trade in energy resources; (4) promote exports of manufacturing, agriculture, or other goods; and (5) for only the top 15 coastal ports, support the safe flow of agricultural and food products, free of pests and disease. Do not include any discussion or supporting information. If the project does not advance any outcomes, indicate "none."
Project Zip Code	53207	Identify the zip code where the project is located. For projects that are located in more than one zip code, identify the zip code where the project is principally located.
Opportunity Zone	No	Indicate whether the project is in a qualified opportunity zone.
Does this project include purchase of any fully automated cargo handling equipment?	No	Indicate whether the project includes procurement of any fully-automated cargo-handling equipment.
Anticipated Environmental Reviews (NEPA Status)	This project is anticipated to require a CE level review, planned for early 2020.	Indicate the anticipated NEPA level of review for the project (e.g., Categorical Exclusion, Environmental Assessment/ Finding of No Significant Impact, or Environmental Impact Statement/ Record of Decision, etc.) and describe the status of the review (e.g., not started, in progress, completed, etc.).
Project previously Submitted?	No	Was the project submitted in a previous BUILD/TIGER/FASTLANE/INFRA round? If so, indicate which round(s) it was submitted in. Example: "TIGER Round 9, INFRA Round 1 and BUILD Round 1."
Project previously received BUILD/TIGER/FASTLANE/INFRA funding?	No	Identify whether the project has previously received BUILD/TIGER/FASTLANE/INFRA funding.
PIDP Grant Amount Requested	\$15,893,543	Enter the total amount of PIDP grant funds requested.
Future Eligible Project costs	\$4,900,000	Enter the total amount of future eligible project costs. This amount excludes previously incurred expenses.
Total Project Cost	\$31,366,928	Enter the total cost of the project .
Total Federal Funding	\$15,893,543	Enter the total amount of Federal funding from ALL Federal sources, including the amount of PIDP grant funding requested.
Total Non-Federal Funding	\$15,473,385	Enter the amount of funds committed to the project from non-Federal sources.
Will RRIF or TIFIA funds be used as part of the project financing?	No	Indicate whether RRIF or TIFIA funding will be used for the project. If so, indicate the amount of funds that will be used.
